

South East Central Railway

Join hands with Indian Railways to grow together

1. South East Central Railway (SECR) consists of 3 Divisions viz. Bilaspur, Raipur and Nagpur and is also serving public and industries in four states namely Chhattisgarh, Maharashtra, Madhya Pradesh and Odisha.
2. Over 255 Mail/Exp, Passenger trains ply on its network and carrying approx 3.5 lakhs passengers every day. Major stations of this Railway are Bilaspur, Raipur, Gondia, Rajnandgaon, Raigarh, Korba, Champa, Bhatapara, Tilda, and Durg. This Railway serves number of tourist destinations like Bilaspur, Ambikapur, Raipur and religious destinations like Pendra Road, Dongargarh, Rajim, Ramtek and wild life sanctuaries like Umaria, Chindwara.
3. This Railway operates in central India where huge quantity of Coal, Iron Ore, Cement, Iron & Steel and other mineral resources are available, which are being transported to length and breadth of the country. This is the only Zone which has loaded more than 150 MT freight traffic for five continuous year (2011-12 to 2015-16) & contribute 16% of total freight loading of Indian Railways.
4. SECR is taking number of measures towards its commitment to upgrade Passenger Amenities at all its railway stations but lot more is required to be done to fulfill the aspiration of its valued customers. Noble work of such a large volume can be completed only with the help of PSUs and Corporates.
5. As you are aware Government of India has specified in schedule-VII (Item viii) of The Companies Act, 2013 about Corporate Social Responsibility (CSR) of Public Sector Undertakings/Corporates and mandated them to spend 2% of the average net profits of the company towards the works of environmental sustainability, health, cleanliness and sanitation etc .

6. SECR requests Corporate and PSUs to participate in the re-development of Railway stations under CSR for execution of Environmental sustainability works, Cleanliness / sanitation and provision of certain Passenger Amenities so that the visibility and image of their organization can be enhanced.
7. Numbers of environmental sustainability, cleanliness /sanitation works are lined up by SECR to meet your corporate objective of achieving CSR. It will be mutually beneficial as on one hand Public will come to know about your esteemed company and on the other hand your company will get the satisfaction of serving the stakeholders of this region .
8. SECR appeals to all PSUs and Corporate to come forward and participate in the CSR works at different railway stations of SECR in its three divisions i.e. Bilaspur, Raipur and Nagpur. The initiative of Corporate and PSUs will not only make the travel of passengers more comfortable but also make the passenger aware about your company's role in Nation Building.
9. Division wise CSR proposals with estimated cost and their present status along with Broad guidelines of Ministry of Railways Govt of India (Railway Board) are listed . Your company is only required to deposit the amount mentioned against the CSR proposal of your choice... We promise that the particular facility will be commissioned on your behalf by Indian Railways. There is also another provision in the policy that your company can procure any listed item and commission the same at any railway station of your choice. For further details/clarification on any individual item, HQ or Divisional office may be contacted as per contact details enclosed.

Indian Railways appreciates your kind gesture of strengthening the efforts of SECR for an environmentally sustainable Swachh Bharat.

Hearty welcome once again to all our esteemed partners in progress.

Virendra Kumar
Additional General Manager
