

Shri Narendra Modi

Hon'ble Prime Minister

NEW RAILWAYS

New Chhattisgarh

A progressive journey since 2014

Kanker Parliamentary Constituency

PREFACE

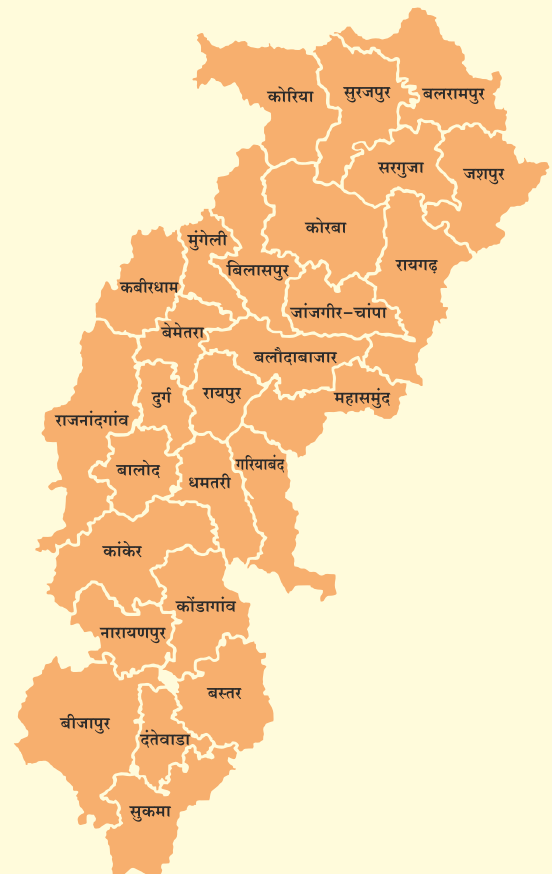

Sunil Singh Soin
General Manager
South East Central Railway

Indian Railways is lifeline of our country. It has continuously fuelled the socio-economic growth of the nation. Similarly South East Central Railway, since its inception, has been a partner in fostering socio-economic progress of Chhattisgarh.

SECR was established on 1st April 2003. 46% of the total network under the control of SECR falls in Chhattisgarh. Along with SECR, East Coast Railway also serves Chhattisgarh. As a leading freight carrier zone, SECR has continuously provided fillip to the industrial growth of Chhattisgarh. Being mineral rich state, Chhattisgarh has immense requirement of railway network expansion. To fulfill this requirement, Railways and Chhattisgarh government are working in close cooperation. Moreover, many projects are being executed jointly by State Government and Railways.

In Chhattisgarh, many important decisions pertaining to Railway projects have been taken in last 4 years. On one hand railway connectivity is being extended to remote interiors of iron rich Rowghat. On the other hand, Coal rich Mand region of East Central Chhattisgarh is being tapped through two important corridors. Besides this, Railway board has given in principle approval to two new lines, Kharsia-Baloda Bazaar-Naya Raipur-Durg and Katghora-Kawardha-Dongargarh. With completion of these projects, Railways network will expand to remote parts of Chhattisgarh which will open doors of development for these untouched areas. This brochure is aimed to list out some of the important activities undertaken in recent past and current projects in Kanker Lok Sabha constituency in Chhattisgarh state.

Due to focused efforts of our employees, and cooperation of our passengers, SECR has been declared as cleanest zone as per the third party audit conducted by Quality Council of India. We are committed towards further development of Railways in Chhattisgarh.

KANKER PARLIAMENTARY CONSTITUENCY
